MEMORANDUM

Logan City School District

TO: Full-time Custodians
District Office Maintenance Staff
Sweepers
Principals

FROM: Paul Jensen

DATE: March 19, 2001

SUBJECT: Asbestos Awareness Training

There will be an inservice for ALL employees working in the custodial area on Tuesday, April 3, at 4:30 p.m. in the Board Room at the District Office. The meeting will provide training with regard to Asbestos.

This is a mandatory meeting and it is imperative that all custodians and maintenance staff be in attendance for the entire meeting. A roll will be taken and a copy of it will be placed in each schools Asbestos Management Plan Book to verify that you were trained. If the sweeper(s) at your school will NOT come into contact with the asbestos, there is no need for them to attend. However, if they buff asbestos tile, or if there is potential for them to go near other asbestos, they should be in attendance. If you have any questions, please call Brandi.

Please remember that inservice and training sessions are part of our contract responsibilities under classified policy and are reflected on annual evaluations.
